

## CAOIMHE AGUS NA CAOGA CAOIRIGH CRAICÁILTE

In this story we met the fifty mad sheep that Caoimhe had to look after. Draw a picture using the table below. Pick one adjective and one animal or creature and draw what you think they would look like. What would a clumsy dolphin be doing to show that they are clumsy? What might a dragon be so embarrassed about? What might the animal or creature say in a speech bubble?

### Multilingual Tip

How many of the adjectives and animals/creatures can you say in a different language? Can you include the name of an animal or adjective in another language?
