

## FIACHRA AND THE BISCUIT TIN GARDEN

Using things he found around the house, Fiachra managed to beat Petronella in the biscuit tin garden competition. We want you to create (or draw) your own garden in a biscuit tin! Would you want loads of flowers, a lake, some ducks? Or would you prefer a slide, bouncy castle or trampoline? Using recycled materials, create your own imagined best garden.

### Multilingual Tip

Can you think of 5 words in two different languages for things that you'd find in a garden?
